

Group Exchange during InnoTrans in Berlin (20-23 September, 2022)

We would like to invite EU SMEs, clusters and scaling-up support organisations to participate in the Group Exchange in Berlin, Germany during InnoTrans 2022 days (20-23 September) organized within the EU-funded [EXTRA Project](#) ("EXcellence EXchange and Teaming-up between RAIlway clusters and ecosystems).

In addition to the Seminars and Conferences scheduled in the program of the "[InnoTrans Business Days 2022](#)" (B2B meetings and networking) organized by [Berlin Partner](#) cluster and to the [ERCI - European Railway Cluster Initiative](#) activities (including, first of all, the "ERCI Innovation Award Ceremony" 2022), the exchange plans to include tours at the stands of the European Railway Clusters of the ERCI group.

The number of participants is limited and they can receive a reimbursement equal to 415 euro. The participation requires an obligatory registration and specific formal steps to proceed according to the project. Please subscribe to the event until the 2nd of September 2022 here (<https://lnkd.in/dPUBpfSF>). For more details contact: irina.vescu@ditecfer.eu.

Important: Tickets to the InnoTrans exhibition are not distributed to participants in the Group Exchange. Please be sure to buy them by yourself in advance ([buy your ticket](#) here).

Description:

Scope: To meet and network with the EU Railway Industry presented by ERCI, EU Railway clusters and its ecosystems.
